

CERTIFICATION UNDER SECTION 1511 OF THE AMERICAN RECOVERY AND
REINVESTMENT ACT (ARRA)

Pursuant to Section 1511 of the American Recovery and Reinvestment Act, I, Shari T. Wilson*, hereby certify that the following infrastructure investment funded by ARRA under the Clean Water State Revolving Loan Fund and/or the Drinking Water State Revolving Loan Fund, have received the full review and vetting required by law and I accept responsibility that such investment is an appropriate use of taxpayer dollars:

Project: Federalsburg Maple Avenue Combined Sewer Separation and Stormwater Management

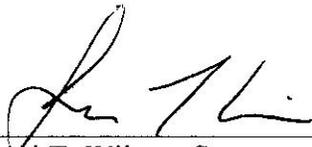

Maryland County: Caroline County

Est. Total Project Cost: \$1,689,805

Estimated ARRA Award: \$582,600 Grant

ARRA Investment Description: The project involves the design and construction of new separate sewer lines and new storm drains to replace the existing deteriorated combined sewer lines along Maple Avenue to South Main Street. The new storm drain system includes a stormwater treatment facility at the outfall to Marshy Hope Creek. This project will eliminate the potential for combined sewer overflows and will significantly reduce stormwater from entering the sewer system and from adversely impacting the Town's wastewater treatment plant.

I further certify that the specific information required by Section 1511 concerning each such investment is available to the public on the Maryland Department of the Environment website at <http://www.mde.state.md.us/wqfa> and is linked to Recovery.gov.
