

Bacteria Impairments and TMDLs Allegany County, Maryland

The impaired 8-digit watersheds shown here are based on the 2008 Integrated Report (combined 303d List and 305b Report) and may not reflect the exact area of impairment within that watershed. Please note that due to the size of the Savage River and Upper North Branch Potomac River watersheds within Allegany County, this map does not accurately display the current status of these watersheds. Please refer to the attached list for details. For current details regarding the IR please contact Matt Rowe @ 410-537-3578 or mrowe@mde.state.md.us. For current details regarding the TMDL Status, please contact Melissa Chatham @ 410-537-3937 or mchatham@mde.state.md.us.
