Lead Rental Property Registry Update for 2010

Again this year the four-page "Facts About Lead Rental Property Update..." can be found on the Rental Property Owners page of our website.

www.mde.state.md.us/lead

(click on "Rental Property Owners", then click on "Rental Property Registry Update For 2010")

On this page, front and back, you still can find the essential facts relating to renewing your registration. The page entitled "Where To Obtain More Information", containing important addresses and URLs, also still can be found in this package.

The adjustments noted above allow us to include Form B and its instructions, which allow property owners to **REGISTER NEW RENTAL PROPERTIES** as part of their annual registration renewal for existing rental properties, **provided that they have the same Owner Tracking No.** as in the renewal. Instructions for filling out Form B and including New Property Registrations with your renewal can be found on the back of this page.

ANNUAL RENEWAL AND FEE PAYMENT

- **Renewal Forms And Fees Are Due By 12/31/09:** The "Rental Property List And Renewal Worksheet For 2010" is imprinted with your "Tracking Number" (formerly called "Owner Number") and on the back is imprinted with a list of "Property Numbers" and addresses.
