## REQUIREMENTS FOR CERTIFICATION:

### Certified Diesel Emissions Retester

Prior to being certified as a Diesel Emissions Retester you must be able to answer "yes" to all of the following questions.

1. Are you employed at either:

- A. A Class "C" Maryland Authorized Inspection Station;
- B. A Class "R" Maryland Authorized Inspection Station; or
- C. A facility:
  - i located in Maryland;
  - ii where the primary business is the repair, rebuild, or reconditioning of heavy-duty diesel vehicle engines for the public at a charge; and
  - iii which contains a permanent enclosed area at least 12 feet wide by 40 feet long?

If you answered yes to "A" or "B" above, you will need to provide us with the station number at the time of certification or you may write the station number here: \_\_\_\_\_

2. Does your place of employment have available for your use:

- A. A copy of Maryland regulations contained in COMAR 11.21.02;
- B. A copy of Transportation Article, §§23-401—23-404;
- C. A copy of the document entitled: *Snap-Acceleration Smoke Test Procedure for Heavy-Duty Diesel Powered Vehicles, Surface Vehicle Recommended Practice, SAE J1667* (Society of Automotive Engineers, Inc., February 1996); and
- D. Equipment certified in Maryland according to COMAR 11.21.02 for use in conducting the diesel vehicle emissions retest in accordance with COMAR 11.21.02?

Note: COMAR 11.21.02 and Transportation Article, §§23-401—23-404, information on SAE J1667, and a list of the equipment approved for use in Maryland are available on-line at [www.mde.state.md.us/arma/Programs/Mobile/Diesel/diesel.html](http://www.mde.state.md.us/arma/Programs/Mobile/Diesel/diesel.html)

## CERTIFICATION:

To the best of my knowledge, the information on this application is accurate. I understand that failure to provide accurate information could result in denial of a Diesel Emissions Retester Certificate. Furthermore, I understand that I must be able to meet the requirements listed above before I may become certified as a Diesel Emissions Retester.
