Instructions for the Application for County Exemption

Accompanying the application shall be a letter from the county agency requesting the exemption, a notarized Landowner's Consent to Right of Entry and a sediment and erosion control plan approved by the local Soil Conservation District. Any other local State or Federal approvals must be obtained by the applicant.

A map shall be submitted, in duplicate, with this application. The map shall be on a scale not smaller than 1 inch = 200 feet, with a contour interval appropriate for the area and representative cross-sections. The map shall show the following:

1. Site location of the tract of land to be affected.
2. Location and names of streams, road, railroads and utility lines that are on or immediately adjacent to the affected area.
3. Location of all buildings within 200 feet of the outer perimeter of the affected area.
4. Property lines.
5. Name of tract owner of affected area.
6. Names of adjacent landowners.
7. Municipality or district and county.
8. Location of test borings or sites of test samples, if any.
9. Outline and designation of pits, topsoil/subsoil storage areas, stockpiles, settling ponds, wetland areas, forested and reforestation lands, areas to be mined at a future date and haul road.

All documents, maps and materials submitted shall have the name and address of the applicant and the date placed on the front of the material for identification. Acreage not included in the application or under a valid county exemption may not be mined or used in conjunction with mining. If additional space is needed to answer a question use a plain sheet of paper and attach to the application.

The application and all inquiries regarding a county exemption should be directed to:
