## WATER AND/OR SEWERAGE CONSTRUCTION PERMIT APPLICATION

### GENERAL INFORMATION

Project Name: \_\_\_\_\_

Project Location: \_\_\_\_\_ County \_\_\_\_\_

(Identify the intersection of the nearest streets and/or major highways)

Project Owner's Name: \_\_\_\_\_ Phone: \_\_\_\_\_

Address: \_\_\_\_\_ Zip \_\_\_\_\_

(An invoice for the application fee will be mailed to this address)

Permittee's Name (legal permit holder): \_\_\_\_\_

Address: \_\_\_\_\_ Zip \_\_\_\_\_

(Permits will be mailed to this address)

Design Engineer/Contact Person: \_\_\_\_\_ Phone: \_\_\_\_\_

This project is consistent with the \_\_\_\_\_ County Water and Sewerage

Comprehensive Plan: Service Category W-\_\_\_ / S-\_\_\_ ; Map/Page No. \_\_\_\_\_

### FINANCIAL MANAGEMENT PLAN

Are water and/or sewerage facilities to be turned over to a public entity upon completion of construction?

☐ Yes: Name of Public Entity: \_\_\_\_\_

Signature of Official: \_\_\_\_\_ Title: \_\_\_\_\_

☐ No: A Financial Management Plan (FMP) is required. The FMP form will be forwarded to the project owner along with an acknowledgement letter upon receipt of the application package.

### BASIC DESIGN DATA

☐ Residential Dwelling Units Population Equivalent: \_\_\_\_\_

☐ Commercial/Industrial Buildings Population Equivalent: \_\_\_\_\_

☐ The design must comply with COMAR 26.08.04.04C(2), Special Requirements for Shellfish Harvesting Waters - Treatment, and MDE's Design Guidelines for Wastewater Pumping Stations for the Protection of Shellfish Waters and Swimming Waters - Effective 6/1/96 (Mark "Yes" or "N/A" in the bracket)

Projected Water Consumption: \_\_\_\_\_ gpd based on \_\_\_\_\_ gpcd.

\_\_\_\_\_ Water Treatment Plant will supply water.

(name)

Projected Wastewater Flow: \_\_\_\_\_ gpd based on \_\_\_\_\_ gpcd.

\_\_\_\_\_ Wastewater Treatment Plant will receive wastewater.

(name)

**APPLICATION FEE ASSESSMENT**

<u>Items</u>	<u>Fee Assessed</u>
_____ feet of water mains (diameter > 15").....	\$ _____
_____ mgd of water pumping station .....	\$ _____
_____ mgd of water treatment plant .....	\$ _____
_____ feet of gravity sewers (diameter > 15").....	\$ _____
_____ feet of force main .....	\$ _____
_____ mgd of wastewater pumping station .....	\$ _____
_____ mgd of wastewater treatment plant .....	\$ _____
One-year Permit Extension (Permit No. _____) ..	\$ _____
Design Revisions (Permit No. _____) .....	\$ _____
Other (specify): _____ ..	\$ _____
Total Fee .....	\$ _____

**GOVERNMENT WAIVER OF PERMIT APPLICATION FEE**

If this project is more than 50% funded by a Local, State or Federal governmental entity at the time of construction, the permit application fee is waived.

The request for the permit application fee waiver is made by:

\_\_\_\_\_  
Signature of Authorized Government Official

\_\_\_\_\_  
Date

\_\_\_\_\_  
Name (please print)

\_\_\_\_\_  
Title

**CERTIFICATION OF PERMIT APPLICATION**

To the best of my knowledge, I certify that the above information is true and accurate, and the related water and/or sewerage facilities have adequate capacity for this project.

\_\_\_\_\_  
Signature of Owner/Agent

\_\_\_\_\_  
Date

**INSTRUCTION FOR PERMIT APPLICATION PACKAGE SUBMISSION**

- The permit application package, including plans and/or specification and application form, shall be mailed to following address:  
  
Maryland Department of the Environment  
1800 Washington Blvd  
Baltimore, Maryland 21230  
Attention: Permit Coordinator  
Water Quality Infrastructure Program  
Water Management Administration
- Do not send the permit application fee along with the permit application package.
- An invoice for the permit application fee will be mailed to the project owner along with an acknowledgement letter upon receipt of the permit application package.
