

# Wicomico Watershed Implementation Plan, Phase II

## Meeting Agenda

May 25, 2011

11 AM to 12:30 PM

Council Chambers (Room 301)

Government Office Building in Salisbury, Maryland

- **Introductory Materials and the State's Guidance Binder**
- **Local Team Coordination**
- **Phase I WIP Load Summaries**
- **Current Capacity Requests**
- **Barriers, Needs, and Options for Increasing Capacity/Resources**
- **2-Year Milestones**
- **BMP Tracking System**
- **Questions?**

### Outcomes:

- **Team Coordination:** More clarity of membership, leadership/coordination and communications procedures. Team web page?
- **Phase I WIP loads:** Greater familiarity with the numbers. Possible identification of additional questions. Initial insights about future strategies.
- **Current Capacity:** Better idea of the process of how current capacity will be documented. Identify outstanding issues/questions. Set goals for reaching closure.
- **Tracking:** Hopefully receive descriptions of existing tracking systems from local partners. Stormwater tracking guidance provided to those who need it.
- **2-yr Milestones:** Progress on identifying options and preparing an internal local process for proposing options to local officials.

### Development Support for the Chesapeake Bay Phase II WIP

This MDE website contains a lot of important information regarding the Phase II WIPs.
